

Cards and Tags Gift Box Instructions

Outer Sleeve

Measure a piece of card stock 10 1/2 inches by 6 3/4 inches.

Score on the longer (10 1/2) side at 4 3/4 inches and 5 3/4 inches.

Fold and burnish score lines. Layer a piece of co-ordinating card 6 1/2 inches by 5 3/4 inches and glue in place on sleeve front.

Layer a piece of co-ordinating pattern paper 6 inches by 4 inches and glue in place.

Large C6 Card Pocket

Measure a piece of card stock 7 1/2 inches by 5 1/2 inches.

Score on the longer (7 1/2) side at 1/2 inch and 7 inches.

Score on the shorter (5 1/2) side at 2 1/2 inches and 3 inches. Fold and burnish score lines.

Cut up middle vertical score lines only, to meet horizontal score, notch to create tabs.

Do this on both sides then fold and glue to create pocket. Glue pocket inside the main sleeve, line up carefully matching the base of the pocket along the bottom edge of sleeve, centre pocket and glue in place.

Medium 3 x 3 Card Pocket

Measure a piece of card stock 4 1/2 inches by 4 1/2 inches.

Score on one side at 2 inches and 2 1/2 inches .

Turn and score at 1/2 inch and 4 inches (1/2 inch either side). Fold and burnish score lines.

Cut up middle vertical score lines to meet horizontal score, notch to create tabs.

Do this on both sides then fold and glue to create pocket. Decorate front of pocket with a piece of card measuring 2 3/4 inches by 1 3/4 inches, layer with pattern paper measuring 2 1/2 inches by 1 1/2 inches.

Wait until you are ready to glue this pocket and the Tags Pocket in place as they go side by side (see below)

Small Tags Pocket

Measure a piece of card stock 4 1/2 inches by 3 1/4 inches

Score on long (4 1/2) side at 2 inches and 2 1/2 inches

Score on the short side (3 1/4) at 1/2 inch and 2 3/4 inches (1/2 inch either side)

Fold and burnish score lines. Cut up middle vertical score lines to meet horizontal score, notch to create tabs. Do this on both sides then fold and glue to create pocket.

Take this pocket and the 3 x 3 Cards Pocket and carefully line up inside the main sleeve on top of the larger pocket. Leave a small gap approx. $\frac{1}{4}$ inch from the base and a small gap between each pocket, glue both in place. Decorate pockets using a card layer and pattern paper.

Belly Band

Take two 1 1/4 inch x 11 inch strips. Glue the strips end to end but at double thickness at the back of the box and then single as they come round either side at the front, trim to fit. Glue band so it is secure but can be slipped off easily. Wrap a ribbon around the full length of band. Create centre piece using Copper Foil die cut and Glimmer card shape layer.

Three C6 Cards

All three cards are made in the same way just using different coloured card and ink.
 Card 1 - Rich Razzleberry Ink and card decorated with pearls (mixed sizes)
 Card 2 - Mint Macaron Ink and card decorated with mint green stones
 Card 3 - Delightful Dijon Ink and card decorated with mixed coloured/sized gems

To make each card

1. Layer card stock onto card blank
2. On white card stamp images randomly, start with largest image and work to smallest, try not to leave large gaps between stamped images
3. Wrap ribbon round white card only, glue flat to card base
4. Stamp sentiment on white card, ink edge if preferred, layer on co-ordinating card
5. Die cut shape using foil card and use to decorate card front
6. Embellish with gems/pearls

Three 3 x 3 Cards

All three cards are made in the same way just using different coloured card/ink and papers.

Card 1 - Rich Razzleberry Ink and card
 Card 2 - Mint Macaron Ink and card
 Card 3 - Delightful Dijon Ink and card

To make each card

1. Layer card stock onto card blank then layer pattern paper
2. Stamp sentiment using ink matching the card stock
3. Die cut shape using glimmer paper and layer on card front.
4. Sentiment is attached to card front raised using foam pads

Three Tags

All three Tags are made in the same way just using different coloured card and ink.

Card 1 Rich Razzleberry Ink, card, ribbon
 Card 2 Mint Macaron Ink card, ribbon
 Card 3 Delightful Dijon Ink card, ribbon

1. Tags are cut from Whisper White card measuring 2 inches by 4 inches
2. Use Scallop Tag Topper Punch to create tags
3. Stamp large sentiment on back of tag, stamp off first then stamp image
4. Layer with card measuring 1 3/4 inches by 2 1/2 inches
5. Use Copper Foil to cut large paisley shape, layer with card cut using smaller detailed paisley shape. Glue on to the tag
6. Attach ribbon and add gems to embellish
