

## Christmas Easel Card

Card: Night of Navy, Whisper White

Dies: Hometown Greetings Edgelits, Layered Circle Framelits

Hearts Come Home stamps

Ink: Night of Navy

Glitter

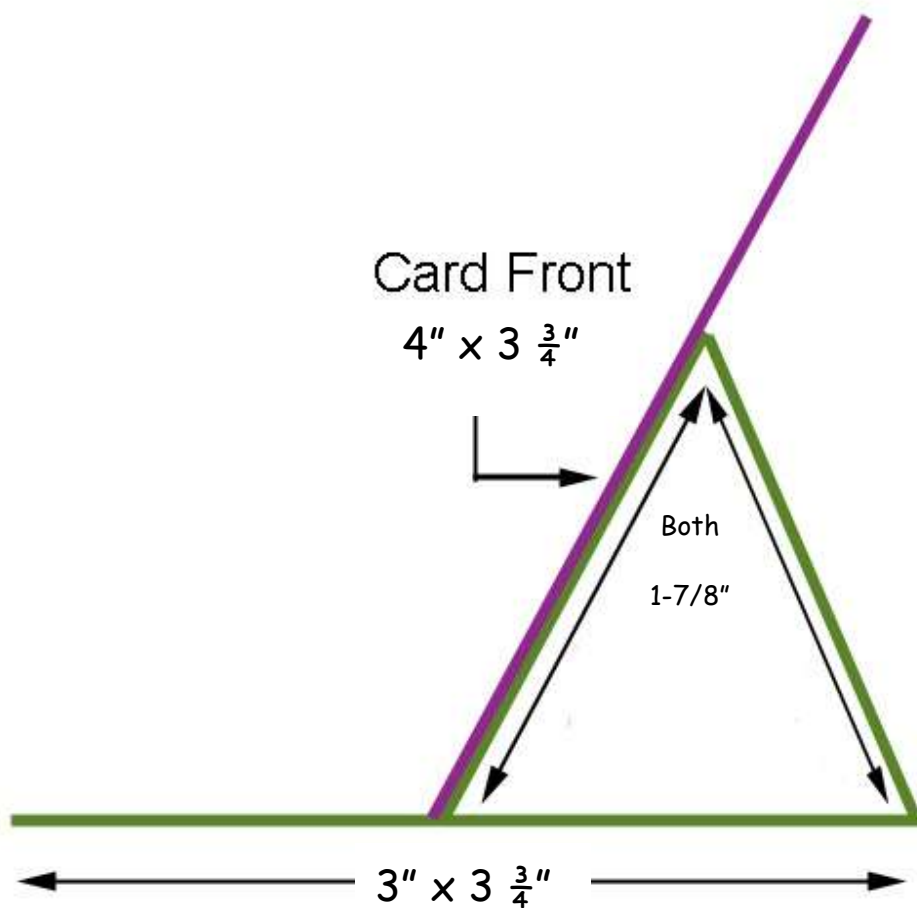

1. Create the card base using Navy card measuring  $4'' \times 7 \frac{1}{2}''$
2. Score along long side ( $7 \frac{1}{2}''$ ) at  $3 \frac{3}{4}''$  and  $5 \frac{1}{2}''$
3. Fold and burnish score lines and add double sided tape to bottom panel only on card front
4. Glue a piece of Navy card measuring  $4'' \times 3 \frac{3}{4}''$  to the bottom panel of the card front to create easel
5. Die cut a circle using Whisper White card and Layered Circle Framelits, to create a moon then stamp Santa sleigh using Black ink and sprinkle with fine glitter immediately, glitter will stick to the wet ink. Wink of Stella brush would work for this also. Glue circle to Navy panel on card base close to the top of the card
6. Use a glue pen to dot around the moon and add glitter to create a starry night sky
7. Take a piece of white card measuring  $4'' \times 2 \frac{1}{4}''$  rip along the long edge to create hills, add glue and glitter to the ripped edge, this layer is glued flat on card front to create hills and depth
8. Die cut Hearts Come Home strip and trim to fit card front. Attach to card front using foam pads
9. Apply a fine line of glue to roof tops and along front of card, sprinkle with fine glitter and leave to dry
10. For the inside of the card - glue the white card measuring  $3 \frac{3}{4}'' \times 3 \frac{1}{2}''$  inside the card
11. Then stamp a sentiment on a strip of white card  $2 \frac{3}{4}'' \times 7/8''$  and layer on navy card measuring  $2-7/8'' \times 1''$  using foam pads,
12. Position the sentiment on the inside of the card, on foam pads, centred and near the bottom to act as a stopper for the easel

# Easel Card

This is useful to pop in with the card so the recipient can correctly fold the card for display
