

Instructions for Clutch Bag holds 3x3 cards

1. Take a piece of pattern paper measuring $8 \frac{1}{2}'' \times 11''$
2. Using the larger end of scoring tool as using paper - Score gently on short side at $2''$ and $6 \frac{1}{2}''$
3. Score gently on long side at $4 \frac{1}{2}''$ and $6 \frac{1}{2}''$
4. Fold and burnish score lines gently
5. With paper open - use diagonal score board to create score lines as shown in diagram - fold and burnish
6. Bring both sides in towards the middle and gently create the 'box shape' which is formed by folding each side (see pics)

7. To create ends for clutch use contrasting card two pieces measuring $1 \frac{1}{2}'' \times 4 \frac{1}{2}''$ scored at $\frac{3}{4}''$
8. Emboss and then fold in half over each end of the bag and glue in place
9. Use clip to secure bag, add handle if desired
