DSP, Love Notes Framelits, Sealed with Love stamps

1. Using the paint stroke stamp with Crumb Cake ink, stamp across the centre of the card using first and second impressions. Create two layers.
2. Using the small, round, hearts and leaves stamp with Crumb Cake ink, stamp randomly around the previous stamped area using first and second impressions.
3. Using the Heart Punch with DSP, punch out two hearts.
4. Using Crumb Cake card, die cut the large heart, use the Precision Plate and wax paper for best cutting results.
5. Using Crumb Cake ink, stamp the medium heart with flowers stamp.
Use the 3D heart die to cut out
6. Once die cut, carefully trim the heart frame away from the smaller enclosed heart, this will create two separate pieces.
7. Arrange the die cut hearts, punched hearts and wooden embellishments on the card covering the central stamped area.
8. Stamp sentiment directly on card using Crumb Cake ink and the 'I Love You' stamp
