

Tool Box Central Stepper Card

You will need

Stamps - Urban District, Guy Greetings, Nailed It

Ink: Pacific Point, Tip Top Taupe

Punch: 1" square (for cutting sandpaper only)

Card: Pacific Point, Whisper White, Delightful Dijon,

Silver Card, Smoky Slate, Tip Top Taupe

Measurements to create Stepper Card

Card base $5\frac{1}{2}'' \times 11''$

To create the centre fold you ONLY do a partial score at the centre of the card.

Measure 1" in from either side at the $5\frac{1}{2}''$ mark on the long side. Score from 1" to $4\frac{1}{2}''$ (vertical) this creates card fold

The score lines that create the Stepper folds are 1" long only. They are scored on both long sides at 1", 2", and $6\frac{1}{2}''$

1. Side layers are Delightful Dijon $\frac{3}{4}'' \times 4\frac{1}{4}''$ layered with a strip of W. White card measuring $\frac{1}{2}'' \times 4''$ that has been stamped to create background paper using Nailed it stamp set with Pacific Point ink
2. Bottom panel has sentiment layered on silver card $1'' \times 3''$, then Delightful Dijon measuring $\frac{3}{4}'' \times 2\frac{3}{4}''$ then finally the sentiment is stamped on W. White card measuring $\frac{1}{2}'' \times 2\frac{1}{2}''$
3. 'Dad' sentiment is layered on the same colours measuring - Silver $1\frac{1}{4}'' \times \frac{3}{4}''$, D. Dijon $1'' \times \frac{1}{2}''$ then W. White $\frac{3}{4}'' \times \frac{1}{4}''$
4. There are three drawers on the tool box, you will need Pacific Point card, one piece measuring $3'' \times 1\frac{1}{2}''$ and two pieces measuring $3'' \times 1\frac{1}{4}''$
5. Glue a thin piece of silver card along the length of each drawer at the top
6. The top and bottom drawer are glued in place on foam pads. The middle drawer is glued in place flat
7. Punch two pieces of sand paper using the 1" punch or fussy cut
8. Die cut a spanner using silver card with Build It framelits
9. Die cut ruler using Smoky slate card
10. Die cut screw driver using silver card - only bottom part required
11. Wood pieces are Tip Top Taupe card stamped with Hardwood Stamp
12. Screw embellishments are silver card cut with the nut from Build It framelits, save the middle piece and score in centre
